TABLE OF CONTENTS

Chapter 1: Resident Assessment Instrument (RAI)

1.1 Overview ........................................................................................................... 1-5
1.2 Content of the RAI for Nursing Homes.............................................................. 1-5
1.3 Completion of the RAI ......................................................................................... 1-6
1.4 Problem Identification Using the RAI ................................................................. 1-8
1.5 MDS 3.0 ............................................................................................................. 1-11
1.6 Components of the MDS ................................................................................... 1-12
1.7 Layout of the RAI Manual .................................................................................. 1-13
1.8 Protecting the Privacy of the MDS Data ............................................................ 1-15

Chapter 2: Assessments for the Resident Assessment Instrument (RAI)

2.1 Introduction to the Requirements for the RAI ................................................... 2-1
2.2 CMS Designation of the RAI for Nursing Homes ............................................. 2-1
2.3 Responsibilities of Nursing Homes for Completing Assessments .................... 2-2
2.4 Responsibilities of Nursing Homes for Reproducing and Maintaining Assessments ........................................................................................................ 2-6
2.5 Assessment Types and Definitions ................................................................... 2-8
2.6 Required OBRA Assessments for the MDS ...................................................... 2-15
2.7 The Care Area Assessment (CAA) Process and Care Plan Completion .......... 2-41
2.8 The Skilled Nursing Facility Medicare Prospective Payment System Assessment Schedule ........................................................................................................ 2-42
2.9 MDS Medicare Assessments for SNFs .............................................................. 2-50
2.10 Combining Medicare Scheduled and Unscheduled Assessments .................... 2-60
2.11 Combining Medicare Assessments and OBRA Assessments ......................... 2-65
2.12 Medicare and OBRA Assessment Combinations ............................................ 2-67
2.13 Factors Impacting the SNF Medicare Assessment Schedule ......................... 2-79
2.14 Expected Order of MDS Records .................................................................... 2-84
2.15 Determining the Item Set for an MDS Record .................................................. 2-87

Chapter 3: Overview to the Item-by-Item Guide to the MDS 3.0

3.1 Using this Chapter ............................................................................................ 3-1
3.2 Becoming Familiar with the MDS-recommended Approach ............................. 3-2
3.3 Coding Conventions ......................................................................................... 3-3

Section A  Identification Information......................................................................... A-1
Section B  Hearing, Speech, and Vision ................................................................. B-1
Section C  Cognitive Patterns ................................................................................ C-1
Section D  Mood ..................................................................................................... D-1
Section E  Behavior ................................................................................................ E-1
Section F  Preferences for Customary Routine and Activities ............................... F-1
Section G  Functional Status .................................................................................. G-1
Section GG  Functional Abilities and Goals........................................................... GG-1
Section H  Bladder and Bowel ............................................................................... H-1
Section I  Active Diagnoses .................................................................................... I-1
Section J  Health Conditions .................................................................................. J-1
Section K  Swallowing/Nutritional Status ............................................................. K-1
Section L  Oral/Dental Status ................................................................................ L-1
Section M  Skin Conditions .................................................................................... M-1
Section N  Medications ........................................................................................... N-1
Section O  Special Treatments, Procedures, and Programs ................................... O-1
Section P  Restraints and Alarms .......................................................................... P-1
Chapter 4: Care Area Assessment (CAA) Process and Care Planning

4.1 Background and Rationale
4.2 Overview of the Resident Assessment Instrument (RAI) and Care Area Assessments (CAAs)
4.3 What Are the Care Area Assessments (CAAs)?
4.4 What Does the CAA Process Involve?
4.5 Other Considerations Regarding Use of the CAAs
4.6 When Is the RAI Not Enough?
4.7 The RAI and Care Planning
4.8 CAA Tips and Clarifications
4.9 Using the Care Area Assessment (CAA) Resources
4.10 The Twenty Care Areas
4.11 (Reserved)

Chapter 5: Submission and Correction of the MDS Assessments

5.1 Transmitting MDS Data
5.2 Timeliness Criteria
5.3 Validation Edits
5.4 Additional Medicare Submission Requirements that Impact Billing Under the SNF PPS
5.5 MDS Correction Policy
5.6 Correcting Errors in MDS Records That Have Not Yet Been Accepted Into the QIES ASAP System
5.7 Correcting Errors in MDS Records That Have Been Accepted Into the QIES ASAP System
5.8 Special Manual Record Correction Request

Chapter 6: Medicare Skilled Nursing Facility Prospective Payment System (SNF PPS)

6.1 Background
6.2 Using the MDS in the Medicare Prospective Payment System
6.3 Resource Utilization Groups Version IV (RUG-IV)
6.4 Relationship between the Assessment and the Claim
6.5 SNF PPS Eligibility Criteria
6.6 RUG-IV 66-Group Model Calculation Worksheet for SNFs
6.7 SNF PPS Policies
6.8 Non-compliance with the SNF PPS Assessment Schedule

Appendices

Appendix A: Glossary and Common Acronyms
Appendix B: State Agency and CMS Regional Office RAI/MDS Contacts
Appendix C: Care Area Assessment (CAA) Resources
Appendix D: Interviewing to Increase Resident Voice in MDS Assessments
Appendix E: PHQ-9 Scoring Rules and Instruction for BIMS (When Administered In Writing)
Appendix F: MDS Item Matrix
Appendix G: References
